# INSTRUCTIONS:
## Papel Picado Banner (Beginner)

YOU WILL NEED:
- Printed Template
- Tissue Paper
- Scissors
- Tape
- String

STEP 1
Print this page out and carefully cut along the top and right outter dotted lines.

STEP 2
Stack up to 4 pieces of tissue paper on top of each other and line up their edges. Fold the tissue in half, then fold that in half again.

STEP 3
Align the top and right edges of your template with the two folded sides of your tissue paper and secure your template to the tissue by placing tape on the left and bottom edges (reference image below for placement).

STEP 4
Use scissors to cut through the stenc and tissue, removing all of the black areas of the skull outline and nose fir Fold along the Fold A line and cut ou the eye. Fold along the Fold B line ar cut out the 2 hearts and diamond sh

STEP 5
Cut along the outer edge.

STEP 6
Unfold and separate the tissues. Fold each papel picado over a string to hang this festive banner.
