INSTRUCTIONS: Wine Charms

YOU WILL NEED:
- Template provided
- Heavy colored paper
- Vellum, crepe or tissue paper
- Scissors
- Hole punch or grommet kit - we bought ours for about $5 at a craft store
- Hammer
- Pen, pencil or marker
- String, twine or ribbon

STEP 1
Print the template of wine charms twice; once on your choice of transparent paper, and one on heavy colored paper.

STEP 2
Sign the name of one of your guests on each of the transparent charms. Then, cut out one transparent charm and one colored charm.

STEP 3
Place the transparent charm over the colored charm and punch the grommet through the charm, using the circle as your guide.

STEP 4
Slide the washer over the back of the grommet and hammer to secure. Thread some string through the grommet, make a slip knot, then tie to a wine glass.

If you don't have a grommet kit, you can use a standard hole puncher. If you use a hole puncher, it's nice to thread a button through as you tie the charm to the glass stem, it adds a fun touch!

STEP 5
Repeat steps 2-4 until there is a charm for each guest.

Your Wine Charms are ready to go!
